NOT A PERMIT

SPECIAL FILMING CONDITIONS
DESMOND ESTATES ROAD AREA

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The area around Desmond Estates Road at Mulholland Drive and Runyon Canyon Road, north of Runyon Canyon Park, is used for filming at various locations, and for parking equipment/cast/crew in a dirt area located on the south side of Mulholland Drive and on the east side of Desmond Estates Road. This parking area is Los Angeles City Department of Recreation and Parks (RAP) property and must be coordinated through the Department's film office. The following Special Filming Conditions apply to all activities in the area, including parking:

- **Affected residents within 500 feet of any and all filming activity (including production equipment parking, cast/crew parking, or catering) must be notified at least two (2) days in advance of the first filming day or the first day of any substantial set preparation, unless later notification is approved by FilmLA.** *Permit request must be submitted to FilmL.A. at least three (3) days in advance.*

- **Smoking is not permitted** unless confined to areas designated by assigned Los Angeles City Fire Department (LAFD) personnel.

- **Use of the Department of Recreation and Parks vacant lot on Desmond Estates Road and Runyun Canyon Road for equipment parking will require a walk-through with a FilmL.A. Production Coordinator to ensure generators, motor homes, trailers and honey-wagons are placed in areas that will minimize the impacts to surrounding residents.**

- **Production companies may not arrive in the area prior to 7:00 a.m. and must depart no later than 10:00 p.m.** unless approval is obtained from FilmL.A. and the approved times are indicated on the permit.

- **Production companies must display signs near equipment and cast/crew parking that read as follows:** *"Residential area - Please keep noise and disturbance to a minimum."*

- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.

FilmLA PERMIT

Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- Ok to film at Runyon Canyon on the Mulholland Side.
- Ok to film on the main trail leading up to the bench passing the off leash area.
- No vehicles beyond the off leash area.
- Ok for up to 3 cars before the off leash area, must park on the dirt turn outs not on the main road.
- Park closes at Sunset. Must leave the park when the Rangers lock up for the evening or risk being locked in.
- Park patrons have right of way at all times. Must allow patrons to pass when camera is not rolling. May only stop patrons when camera is rolling. OK to have maximum 2 minute pedestrian control.
- May not block any access roads, trails or driveways. May not park on any grassy area.
- Company must caution for pedestrians and dogs.
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.

NOT A PERMIT

- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The
- permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between parK
- patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
